

## Attach the Wall Mount Bracket (not included)

Before you begin the third-party manufacturer instructions, be sure to do the following things:

1. Place the TV face down on a flat, clean, safe and cushioned surface.
2. Remove the TV stand if you already attached it.
3. Place the spacers (not included) in the corresponding bracket holes.

### CAUTION:

- When you attach the mount, be sure to use the spacers (provided by the third-party manufacturer) between the TV and the bracket.

- To prevent internal damage to the TV and ensure it is mounted securely, be sure to use fixing screws (not provided) that are 8 - 9.5 mm (40") / 9.5 - 11.5 mm (48"/50") in length when measured from the attaching surface of the mounting hook.

	8 - 9.5 mm (40")
	9.5 - 11.5 mm (48"/50")
Wall mount bracket	
Rear cover of the TV	
Wall mount hole pattern VESA (mm)	100 × 100 (for 40") 200 × 200 (for 48") 200 × 400 (for 50")
Wall mount screw size (mm)	M4 (for 40") M6 (for 48"/50")

Follow instructions provided with the Wall mount bracket.

- To complete the installation, please contact the wall-mount manufacturer or the retailer from which you purchased the TV.
- The selected screws are 8 - 9.5 mm / 9.5 - 11.5 mm in length when measured from the attaching surface of the rear cover. The diameter and length of the screws differ depending on the Wall mount bracket model.

**NOTE:** The diameter and length of the screws differ depending on the wall mount bracket model.

## STEP 2. Connect devices to your TV

Check to ensure that you have selected the right cables for the ports and that they are connected securely. Loose connections can affect the quality of the picture image and color. (Cables and External Equipment not included.)

TV label	Port	Cable	External Equipment	Brief Description
ANT/CABLE				Connect an outdoor or indoor antenna.
HDMI				Connect a High Definition Multimedia Interface (HDMI®) cable from an external device.
AV IN	VIDEO	 Yellow		Connect a composite video cable and left-right audio cables from an external AV device.
	L	 White		
	R	 Red		
DIGITAL AUDIO OUT				Connect an optical cable from an external digital audio system.

TV label	Port	Cable	External Equipment	Brief Description
		 A black cable with a 3.5mm male connector on one end and two 3.5mm female jacks on the other, representing a headphone connection.		Connect headphone for audio out of the TV.
Ω / AUDIO OUT		 A black cable with a 3.5mm male connector on one end and two RCA male connectors (labeled "White" and "Red") on the other, representing an audio output connection.	 A speaker icon above an audio amplifier icon, representing external equipment.	Connect an audio adapter (not provided) from an external analog audio system.
USB DC 5V == 0.5A(MAX)		 A small USB device icon.		Connect a USB device for browsing photos, music and movies. The unit only recognizes a USB Memory Stick.
RESET		Restart or factory reset your TV.		

## Buttons on your TV remote

The TV remote should feel right at home in your hand. We designed it to be incredibly intuitive for watching TV and navigating on-screen menus.

- A** **POWER** Turn TV on and off
- B** **BACK** Return to previous screen
- C** **HOME** Return to Roku Home screen
- D** **OK** Select an option from a menu
- E** **UP or DOWN** Move up or down; **LEFT or RIGHT** Move left or right
- F** **INSTANT REPLAY** Replay last 7 seconds of streaming video
- G** **OPTIONS** Access to picture settings, move streaming channel icons and more
- H** **RWD SCAN** Rewind streaming video, scroll left one page at a time
- I** **PLAY/PAUSE** Start or pause playback
- J** **FWD SCAN** Fast forward streaming video, scroll right one page at a time
- K** **CHANNEL SHORTCUT** Instant access to popular channels
- L** **VOLUME UP** Increase TV volume
- M** **VOLUME DOWN** Decrease TV volume
- N** **MUTE** Silence TV sound

**TIP:** The **\*** button gives you easy access to picture settings, display options and more. Try it on every screen.

## STEP 3. Begin using your remote

Power up your TV remote by inserting the included batteries.

### CAUTION

- Dispose the batteries in a designated disposal area. Do not throw them into a fire.
- Remove old batteries immediately to prevent them from leaking into the battery compartment.
- If you do not intend to use the remote control for a long time, remove the batteries.
- Battery chemicals can cause a rash. If the batteries leak, clean the battery compartment. If chemicals touch your skin, wash it immediately.
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable (for example, NiCd or NiMH) batteries.
- If your remote gets warm/hot during use, discontinue use and contact customer support immediately at [www.hisense-usa.com/support](http://www.hisense-usa.com/support).

## Using Your Cable Set-top Box or Satellite Receiver Remote as a 'Universal' Remote.

If you prefer to use your Cable Set-top Box or Satellite Receiver Remote as a 'Universal Remote', please refer to the manual that your cable or satellite service provided. It will include instructions on how to program their remote to your television. You can find codes that work with your Hisense Roku TV and the most common cable and satellite provider's universal remote control at [www.roku.com/universalremote](http://www.roku.com/universalremote)

## Turn on the TV

Connect the power cord to the back of your TV and plug it into a power outlet.

(for 40")

(for 48"/50")

Press the **Power** button on the remote to turn on the TV. A startup screen appears that displays the **Hisense • Roku TV** logo.

Choose **Set up for home use** to access all TV features and maximize Eco Save.

**NOTE:** Only retailers that need to set up the TV for display should select **Set up for store use**.

**Connect your TV to the Internet to access thousands of streaming channels like Netflix & YouTube.**

## Make any night a movie night

Access more than 300,000\* movies and TV episodes across major streaming services like Netflix, Hulu, Amazon Video, VUDU and more. Choose from free, rental, and subscription services.\*\*

## Get in the groove

Connect your favorite music streaming service to your TV, including Pandora, Spotify, SiriusXM, VEVO and dozens more. Access your MP3 collection instantly with Amazon Cloud Player or the Roku Media Player.

## Explore loads of free channels and free trials

Your Roku TV has hundreds of popular free channels like Crackle, CBS News, PBS, VEVO, and more. And, free trials\*\* to popular subscription services like HBO, SHOWTIME, Netflix, Amazon Video, and Hulu.

## Explore your passions

Your Roku TV offers hundreds of streaming channels to fuel your passions – including fitness, kids & family, cooking, sports, religion, travel, International programming and more.

*\*Subscription or other payment may be required to access certain channels. Content may not be available in all areas in which the Roku TVs are sold and channel availability is subject to change.*

*\*\*Cancel before free trial ends to avoid subscription fees. Credit card may be required. Eligibility restrictions may apply.*

## STEP 4. Complete the guided setup

Connect your Hisense Roku TV to your home network:

- 1. Sign in to your wireless network.** Your TV will automatically detect wireless networks in your area. Have your network name and password handy and follow the easy on-screen instructions.
- 2. Activate your Roku account.** From your smartphone, tablet, or computer, go to [www.roku.com/link](http://www.roku.com/link) and enter the code that is displayed on your TV screen. Roku accounts are free, and while a valid credit card number is required to create your account, rest assured you will only be charged if you authorize purchases of apps and games from the Roku Channel Store.

If you are not ready to connect your TV to a wireless network, you can still use it to view live broadcast channels through your antenna, Set Top Box (STB) or Satellite.

**Complete the rest of the on-screen prompts and setup is done. Congratulations!**

**NOTE:** Once you're connected, your TV will automatically update with the latest software—plus you can start streaming the entertainment you know and love. Unlike other TVs, your new **Hisense Roku TV** automatically receives regular software updates in the background when it's connected to the Internet. This allows it to give you a better experience.
